Dear Bowling Club member.

This email has been distributed to all playing & social members who have an email address listed. Separate notice will be sent to members without a listed email address by snail mail.

Please note that at the recent Club management Committee meeting it was decided that in view of the critical status of the club officers / committee it was determined to have an Emergency Meeting prior to the AGM.

Time: 2:00 pm
Day: Thursday

It really is essential that everybody who can make this date/time do so.

Please be aware that in accordance with the Club Constitution, only playing members have the privilege of voting at such meetings and/or being eligible for election to the committee.

Whilst we welcome any social members who wish to attend their attendance will be subject to the paragraph above.
