Instructions to Help with Organising a Competition Game

1) The name or names on top of the fixture game sheet is the CHALLENGER, and he must contact the other team to fix a date for the game. At the same time if this is a singles game, the Challenger must also organise for a Marker to be present on the day to officiate the game.

2) Please be aware that the Marker must be an independent member of the club, and not related to the players in the game.

3) The arranged date is then booked on the Bowlr system before the day of the game.

4) On the day you must fill out a score card with Competition name, date and the players name/names. It may be worth writing down how many ends or points have to be played in the game for the marker to have this information. Also write down the Markers name on the card.

5) On completion of the game both players must sign the card and place it into the box provided in the club house at the end of the competitions board.

6) The dress code for preliminary competition rounds is GREY BOTTOMS and White TOPS.

Any question relating to this information, please contact me.
