Facebook and Easyfundraising

ALEX has now taken on the admin of Facebook with Keith Newman in support.

easyfundraising
feel good shopping

I (Alex) looked at this this morning and could see that we don't have many of our members on board with this, I know that some of you may be wary of the technology around it, also Easyfundraising, it's a very simple way of doing all your online shopping as normal while being able to raise funds for VBC.

If there are any members that would want or benefit from some help with these I was going to propose that I could run an informal workshop at the club (probably with some input from Zander).

If you're interested in this then please email me at **a.pupkis@sky.com**

It would also be a chance for an informal get together.
